**Pin the tail
on Donkey!**

- 1** Print all pages of the game template and stick them to the wall in the order shown. Make sure the wall is free of barriers and away from stairs.
- 2** Cut out the tail game pieces and write each player's name on the back. Place a piece of tape or sticky tack on each tail so they'll stick to the game.
- 3** Blindfold each player and spin them around 3 times. X marks the spot – the closest tail wins!
