

## I SCREAM, **YOU SCREAM**

We all scream for homemade ice cream! Did you know you can make your favorite summer treat in a bag? Let's prep our ingredients.

## **Ingredients**

- 1 cup half & half cream
- 2 tbsp. sugar
- 1/2 tsp. vanilla extract
- Your favorite ice cream toppings!

## Let's get making and shaking!

- 1. Mix all of your ingredients except your toppings — in the small resealable bag. Push out the air and seal it up.
- 2. In your large resealable bag, put your ice and salt, then place your small bag inside, and seal the large bag up.
- 3. Put on your favorite playlist and shake it up for 7-10 minutes, until you've gotten the desired ice cream consistency.
- 4. Top with chocolate chips, sprinkles, fruit or other favorite toppings, and enjoy!

## What you'll need

1 large resealable bag

1 small resealable bag

• 3 cups ice cubes

• 1/3 cup kosher or rock salt
